2. Will we be able to get slides to this for links? Yes will be posted on cers.tamu.edu/grantraining
3. Are any of your metrics fed into Interfolio for annual achievement reports? Bruce: Yes they will. We have talked to people who are implementing interfolio and we are going to push Scholars data into your interfolio evaluation form so much of the information is populated. When? Not sure. Will require two steps. AgriLife will implement Faculty 180 first. Not many AgriLife people in scholars yet. We anticipate to fill out half the form by pushing data and reducing work for annual evaluations. Of course you can edit anything in form. **FIRST STEP:** Request a scholars profile.
4. Can we get a list of the names of the presenters and their expertise -- so we contact the right person? Yes. They will be posted on cers.tamu.edu/grantraining
